PROFILE

I am a engineer who has just finished my university studies and I am very motivated to have a job. I want to learn new things and become a professional who does his job with a high level of competence.

My main interests are computers, technology and video games. I also try to make sure that the work I do is good and professional.

In my GitHub profile (Sergio-Romero12) you can find some of the projects I have done.

EXPERIENCES

2019 - 2023 Computer Science degree

- Average Grade: 8,6

- Honours:
  - Spreadsheets. Advanced level
  - Applied Differential Calculus
  - Artificial Neural Networks
  - Language Processors
  - Computer Architecture
  - Computer Structure

- Bachelor's thesis:
  - Creation of intelligent agents using Unity and ML-Agents with the aim of teaching them to play badminton. Grade: 9,7
EDUCATION

Charles III University of Madrid

2019 - 2023 | Bachelor in Computer Science Engineering.

LANGUAGES

- Spanish: Native language
- English: B2 Certificate (First)

TECHNICAL SKILLS

- Programming experience:
  - Python
  - C, C++, C#
  - Html
  - Css
  - Unity
